Electrical & Communications Construction Services

Electrical, Communications & Infrastructure

Who We Are

Cornerstone Services Group delivers electrical, communications and infrastructure solutions across commercial, healthcare, education, hospitality and mixed-use developments throughout South East Queensland.

Built on the foundation of Cornerstone Electrical, we deliver new-build construction, refurbishment, fit-out and infrastructure projects for builders, developers and project managers.
We provide practical, buildable solutions from tender through to commissioning, focused on safety, quality and reliable project delivery.
