Healthcare & Aged Care Services

Electrical Services, Maintenance & Infrastructure Upgrades

Who We Are

Cornerstone Services Group delivers electrical services, maintenance, compliance and infrastructure upgrades across healthcare, medical and aged care facilities throughout South East Queensland.

We operate within live care environments where reliability, compliance and continuity of care are critical. Our team delivers electrical maintenance, compliance testing, infrastructure upgrades and capital works under a single point of accountability.

Healthcare Capability

- **AS/NZS 3003 patient-area compliance testing**
- **Healthcare and aged care project experience**
- **Operational healthcare and aged care experience**
